GLENN WILLIAMS

DEDICATION

The annual staff of '52 dedicates this ROUNDUP to Mr. Glenn Williams, agriculture teacher. His efforts have been untiring; his humor never failing; and to him, our favorite, we pay tribute.

Superintendent's Message

The High School experience is but one scene in the drama of life. Learn your role in the cast of that drama and play it well. Put your full effort and all your talents into every small part you play. Act with the knowledge and conviction that a successful mastery of each part today will lead toward casting greater and ever-more-satisfying roles of the future.

Reach toward the stars and become one of the leading characters in the drama of life.

MARY NEAL HAYES

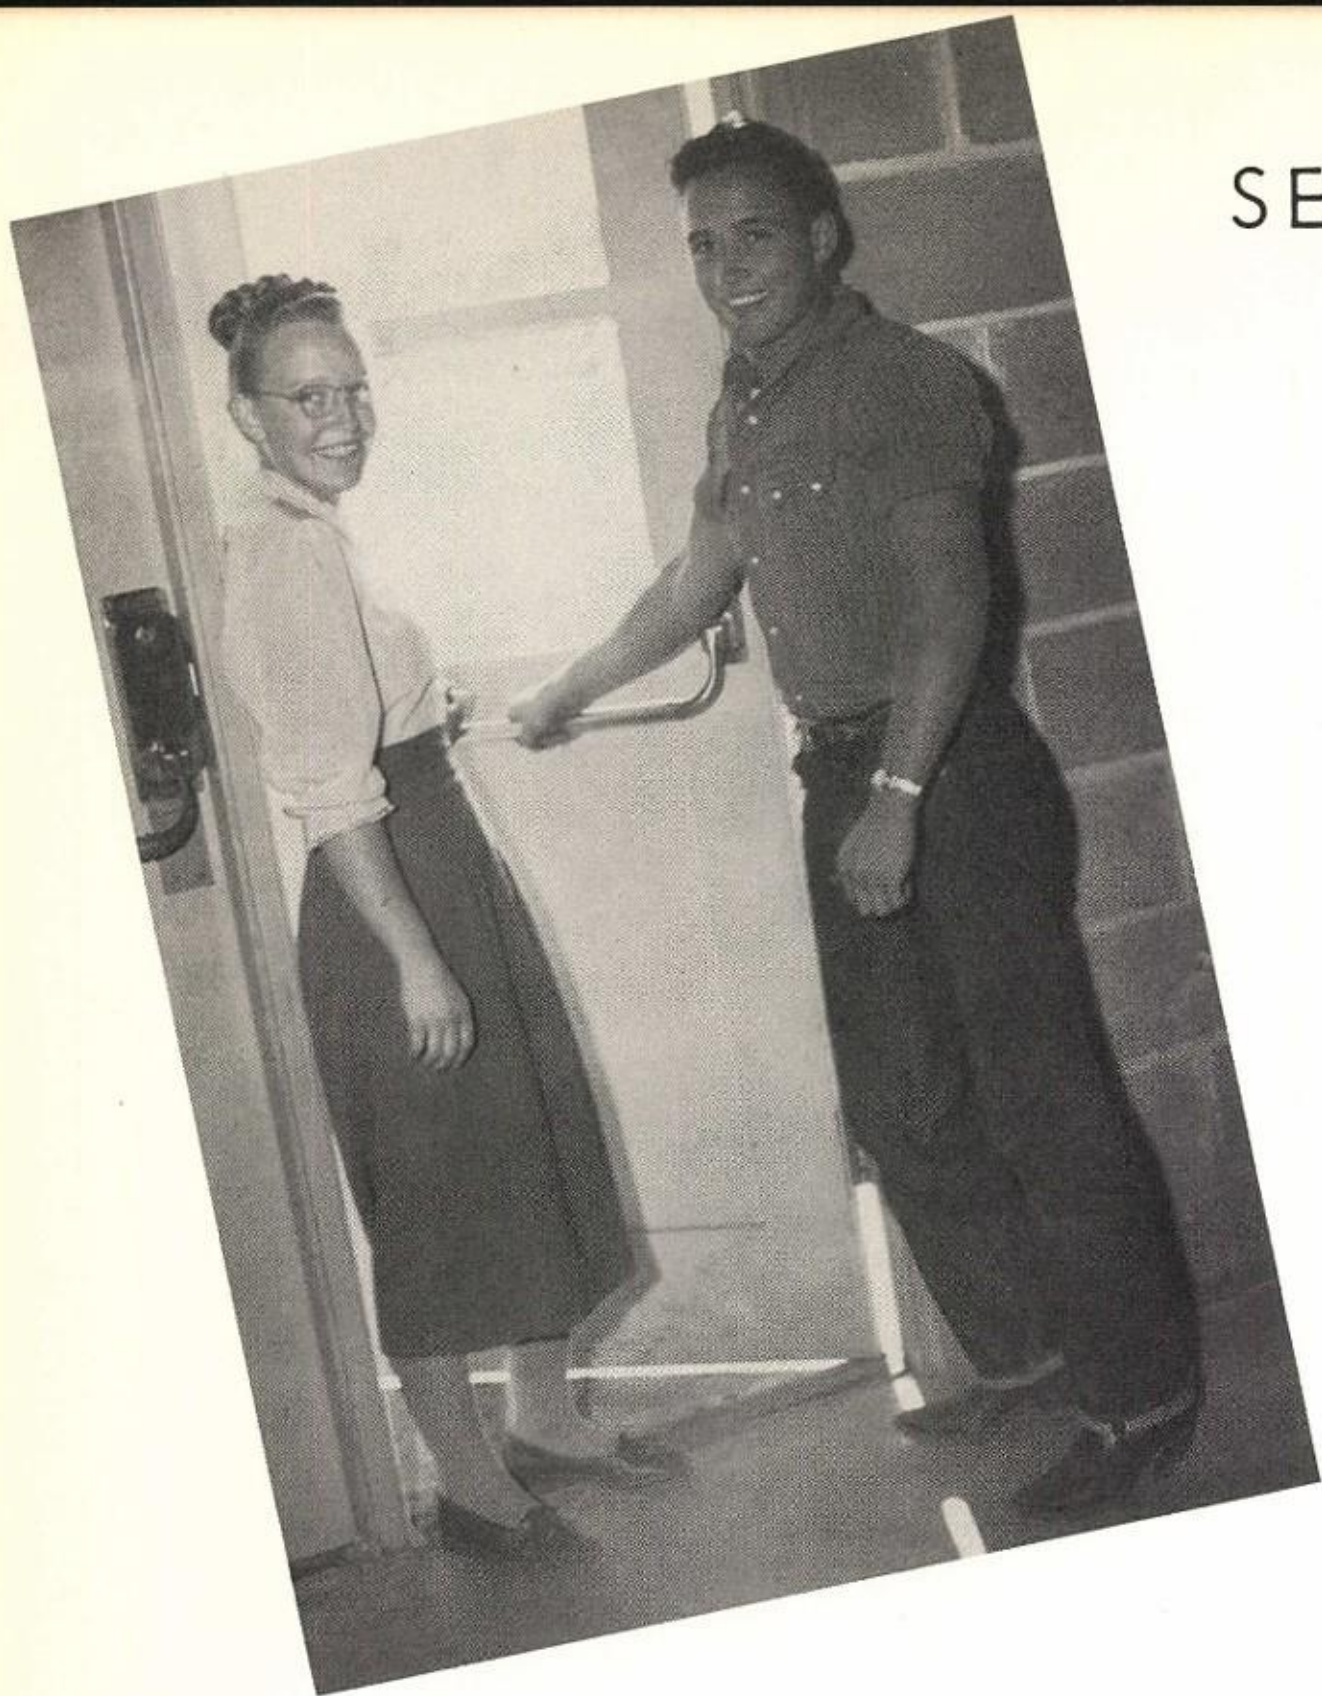

THIS IS A RECORD OF - - - Classes - - - Activities - - - Faculty - -
Sports - - - Organizations - - - Personalities - - - Yes, all that and
much, much more. So let this book be like an old friend you can sit
down with - - - and think of people you knew and things you did, way,
way back in '52.

"Our lives are albums written through,
With good or ill, with false or true;
And as the blessed angels turn
The pages of our year,
God grant they read the good with smiles,
And blot the ill with tears! "

To Mrs. Porter:

Today and forever I
can truthfully say you are the
sweetest and kindest teacher I have
ever had. I'll always remember you and
your sweet personality. Thanks for
being what you are.

Love you Always -
Joyce
